

Maine Driving Club
Roundabout Farm Fun Day
9/18/21

If you are interested in the sport of driving but not yet harnessed to a carriage, or even yet don't own a horse, we have an event for you.

We have an interactive opportunity for carriage less driving enthusiasts. At our 2nd annual Fun Day you have a chance to participate in a driving learning experience.

Participants will receive a judges score sheet for a dressage test and will score the participant, on their own as the test is driven. After the test Jenny Wells, our dressage judge for the day, will meet with you as a group, show you her scores, for the same movements, and explain why she scored as she did. A great opportunity here to learn what the judge is looking for.

You will observe a participant driving the cones course. Afterwards Mary Plummer, our cones judge, will explain what penalties, if any, apply to this drive and offer her suggestions as to how this driver might have improved their performance.

Bob Giles will explain the rules for driving an obstacle and the job of the navigator while you observe a participant negotiate the obstacle.

Lastly, Jenny will do a demo on proper "putting to" of a horse to a carriage.

The day begins at 10AM at beautiful Roundabout Farm in Buckfield.

Please join us for a fun day of horses and all things driving!

Cost to participate is \$25
