Outing for Carriages and Riders July 6, 2024

— NEHT Affiliated —

Our lovely Outing site will again be at 22 Wyman Road, with Sandy's new neighbors and owners... Sally and Robert McCrory are welcoming us to their new farm for our Outing! As their guests, GSCA will enjoy the hilltop vista of surrounding towns, hills and valleys of our NH countryside.

The distance offered is approximately 6 miles for driving and riding. NEHT and Riders or Drivers seeking distance may do the route twice for 12.2 miles. Drivers follow local dirt roads with minimal traffic, with only one small section of tar.

You may choose to stay on the flat, smoother roads (out-and-back) or continue on to the unmaintained Class 6 woodland roads to complete a loop into Loudon and Canterbury woods and back. The woodland road has many hills and will be an energetic challenge for horses and riders! The woods road is rough but suitable for sturdy carriages and carts.

Bring your own lunch and perhaps bring something to share with fellow horse people! Light refreshments will also be offered. There are no facilities so please make your own arrangements for restroom needs.

We ask that you leave no trash, and please spread any manure across the fields.

Please notify Host of your intention to attend
